Respected Professor,

I hope this email finds you well. I am writing to respectfully request an extension on the upcoming deadline for the Assignment-4, currently due on 27th March. Unfortunately, due to an unexpected medical issue, I have fallen behind on my current schedule.

I am committed to completing the work thoroughly and would appreciate it if you could grant me an extension until 31th March. I have already completed the research phase and am confident I can submit high-quality work by this revised deadline.

Thank you for your time and for considering my request. I look forward to hearing from you.

Best regards,
Jainish Jain

Dear Internship Coordinator,

I am writing to express my strong interest in a summer internship opportunity at Microsoft within the software development department. As a first-year Computer Science and Engineering student at VIT Bhopal University, I have been following Microsoft's recent work in Cloud Computing and Artificial Intelligence, and I am eager to contribute to your team.

Currently, I am developing my foundational skills in Java and Data Structures, and I am actively building a technical portfolio on GitHub. I am a quick learner with a strong work ethic, and I believe that an internship at your organization would provide the ideal environment for me to apply my academic knowledge to real-world challenges.

I have attached my resume for your review and would appreciate the opportunity to discuss how I can contribute to your upcoming summer projects. Thank you for your time and consideration.

Best regards,
Jainish Jain
